Annual General Meeting 5th August 2009.

Election Night 5th August 2009 and Annual General Meeting: Please note that the meeting on the 5th August will be our AGM and Election Night for all positions on the Management Committee. Our Constitution now requires us to have elections annually and hence these positions are for 1 year duration.

You must nominate for **specific positions** and can only nominate for **one identified vacancy**. There are 5 vacancies for Ordinary Member.

The nomination forms must reach the secretary no later than 4.00pm on the 29th July 2009.

Nomination Forms are attached to this newsletter and extras are available from me. Proxy vote forms available from secretary.

All positions are to be considered vacant and please note that I will not be renominating for the position of secretary. I have been in this position for some 10 years and find other commitments will in the coming year not allow me to continue in this role. I thank all who have shared and contributed in this experience and wish the incoming secretary every success.

secretary

Needed Paul needs help with a maintenance crew for the Hall. Anybody with experience or the inclination will be appreciated in this most necessary job. Come, work and talk fishing all you want.

Invoices have been sent out for Membership, a quick return of dues would be appreciated.

Cheers Anita
